Dear Minister Madu;

Re: Request for Viability Review

Council of the Village of Hythe unanimously passed a resolution at a Special Council Meeting on April 22, 2020 to request a Viability Review for the Village of Hythe. Please know that this was not an easy decision of myself and Council. Over the last months we have explored many options to improve the financial situation of the Village however nothing of subsequent difference was found. To this end Council felt impelled, in the best interest of our citizens, to request a viability review.

As further background, and through our research, had initial conversations with the County of Grande Prairie. These conversations were to seek input, interest, and thoughts on best options for the Village. We are appreciative that the County of Grande Prairie is willing to work with us through this process.

Enclosed is a copy of the Sustainability Self-Assessment Questionnaire completed for the Village of Hythe as well as a copy of the minutes from the Special Council Meeting that reflect the motion of Council.

Thank you for your consideration of this request. Please contact me at the number below or the CAO at 780.876.7582 / cao@hythe.ca for additional information as required.

Kind regards,

Mayor Brian Peterson
